

## The Revolutionary, Automated Solution to Produce ROI and RAC Copies on **256 bit encryption Discs**

Meets HIPAA/HITECH Act mandates

## Save Time, Save Money!

The benefits of DISCO<sup>®</sup> go far beyond saving time in the process of searching, organizing, and copying patient information. DISCO<sup>®</sup> also complies with HIPAA regulations by producing legal copies on CD in a digital and secure format.

- Greatly Streamlines Workflow
- Eliminates All Manual Processes
- Loads, Burns, **Encrypts**, Tracks
- Centralized Tracking for HIPAA
- Works with any EMR

*"DISCO<sup>®</sup> allowed us to centralize and automate our Release of Information process.*

*We increased staff productivity, reduced copying costs, increased PHI security, and reduced staff errors."*

*Karen H., Director of HIM*
